

# College Level Examination Program (CLEP)

- College Level Examination Program (CLEP) is a national standardized test in selected areas and is accepted for college credit. The test is computer-based.
- CLEP is given on a walk-in basis at the Testing Center, Rm. 2210. Students must register prior to testing at [www.collegeboard.org/CLEP](http://www.collegeboard.org/CLEP), where they will pay the \$95 examination fee (effective 7/1/2024) by credit or debit card only.
- KVCC charges a \$20 administration fee which must be paid before taking each CLEP test. This can be paid at the Pay Station (Rm. 5131) by cash, check, credit or debit card; or online at [www.kvcc.edu/services/testing](http://www.kvcc.edu/services/testing) with a credit or debit card. Please bring the receipt from this transaction to the Testing Center on the day of testing.
- It is advisable to call the Testing Center at (269)488-4460 to let them know that you are coming. No CLEP tests are given less than two hours prior to closing.
- When registering online, you must indicate Kalamazoo Valley Community College as the testing location and, if applicable, as the score recipient. College credit will be granted by KVCC upon receipt of your official scores.
- The minimum credit awarding score is 50 unless otherwise noted. If you receive a score below 50, you will not be able to retake the exam for three (3) months.
- A study guide is available from the Testing Center, Rm. 2210.
