

Kalamazoo Valley Financial Aid Academic Plan (FAAP) Review Form

Student: _____ Valley ID # V00 _____

Phone: _____

Based on a review of a previous Satisfactory Academic Progress (SAP) Appeal Form, I was granted another opportunity to be considered for financial aid based on following a Financial Aid Academic Plan (FAAP) that was developed specifically for me.

I have followed the steps in this plan and have maintained satisfactory academic progress towards the completion of my program of study.

I would like to be considered for future financial aid at Kalamazoo Valley. If approved, I realize I must continue to meet SAP standards to remain in good standing with the Financial Aid Office and submit a Financial Aid Academic Plan (FAAP) Review Form at the end of each semester.

Deadline to submit a SAP Appeal or FAAP Review Form:

Fall semester - October 1st Winter semester – March 1st Summer semester- July 1st
