

Student Insurance Agreement

All international students are required to carry an approved health insurance program to cover major medical expenses, accidents, and/or illness. Admitted students must show proof of this coverage for the duration of the semester they wish to register for. Students must show proof of medical insurance coverage before they are eligible to register for classes at KVCC.

Minimum coverage requirements:

- Medical benefits \$50,000 minimum per accident or illness
- Repatriation of remains in the amount of \$7,500 minimum
- Medical evacuation coverage in the amount of \$10,000 minimum

REQUIRED - Attach a copy of an insurance certificate or your coverage card to this form showing the above minimum requirements and fill out the required information below.

Student Name _____ Valley ID Number V00 _____

Date of Birth _____ Program Start Date _____

Name of Insurance Agency _____

Address of Insurance Agency _____

Phone Number of Insurance Agency _____

Dates Valid – From _____ To _____

Coverage must be maintained while studying at KVCC. Cancellation of the policy will result in the student not being able to register for future semesters. KVCC does not maintain coverage for students and is not responsible for any medical, hospital, evacuation or repatriation expenses incurred by the student.

I have read, understand and agree to the above.
