Residence Certification

I understand my residence status will be established on the last business day before a semester begins. Once I have registered and the semester starts, no change in my residency or tuition rate can be made until subsequent semesters. I understand that any adjustments made in tuition due to a change in residency status shall not be retroactive. I accept responsibility for immediately informing the Admissions, Registration and Records office of any future change in residence or status. I certify the information provided is accurate and agree to the provisions stated.
